ECSAT celebrated World Children’s Day on October 3rd with an event called Butterfly Wishes.

The afternoon started with all children dancing as butterflies and this was a colourful and joyous sight of colour and movement. Many children wore butterfly wings and everyone was dressed in beautiful shiny and sparkling colours. Gayani, the Project Coordinator, invited all the children to join one of the four groups creating the life cycle of the butterfly.

Eggs          Caterpillar
The completed life cycle was displayed round a tree for everyone to admire.

Hikkaduwa Centre performed a dance with butterfly actions and telling the story of having fun with their friends.

_Udumale_ telling the story of a couple being friends and sharing jokes.
Atha matha and represented butterflies and children playing.

Children each had a piece of a large cake to celebrate all their birthdays.

Roshan, the Programme Director, gave a vote of thanks to the children and parents for their support, Blue Fox hotel for the use of their hotel and Hikka Tranz for donating the sound system, refreshments and gifts. The event ended with the children receiving gifts.

Thank You Hikka Tranz hotel for sponsoring & helping to make a difference
